Professional Learning Opportunity for School Teachers

Sports Specific Workshops – Term 2 2010

This is a series of practical workshops designed to increase the skills, knowledge and confidence of classroom teachers, especially those who are teaching physical and sport education for the first time.

Aims of the workshops:

- Provide an opportunity for teachers to learn rules, game play, skills, drills and modified games for a variety of sports
- Improve confidence in teaching physical and sport education
- Provide teachers with more ways of including students in physical activity
- Opportunity to network with other teachers and sports development officers
